

NEED A NEW YEARS RESOLUTION?

Called & Gifted

SMALL GROUP DISCERNMENT PROCESS

ONCE A MONTH
JANUARY - MAY

TUESDAYS 6-8:30 PM *or*
SATURDAYS 8:30-11AM

How has God uniquely gifted YOU to share His love in your family, workplace & community? Grow in understanding the most common **charisms** (spiritual gifts given at baptism) & discover your next steps for more **purposeful living!**

In-between sessions, you'll spend time experimenting with one particular gift and seeing what God does! The communal support will help you evaluate your results and discern what spiritual gifts are truly at work in your life (as opposed to natural talents or skills). You'll also learn to identify ways that you learned to control life as a child that can get in the way of using your charisms as an adult.

**Suggested donation: \$25 for materials.
Register by Jan 1 at www.stmarysdsm.org.**

If you have not yet taken a spiritual gifts inventory, you will need to set up a time to do so before discernment groups begin. Contact Tessa Roberts at 515-276-4042 or tessar@stmarysdsm.org.
